against the above-captioned patent application.

Applicant is now in receipt of a European Search Report for the above-identified case. The cited patents are listed below and on the attached Form PTO 1449. Comments accompanying any non-English language documents are believed to constitute a fair representation of the pertinency of said document. However, these comments are not intended to take the place of the Examiner's independent consideration of each document.

Since a final rejection or Notice of Allowance has been issued in the above case, but the Issue Fee has not yet been paid. Please charge the \$130 fee under 37 CFR 1.17(i)(1) to Deposit Account No. 12-1155. Triplicate copies of this letter are enclosed.

Applicant's attorney hereby certifies that each item of information contained in the accompanying Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement.
